## Bulk Billing

Patients aged 5 years and under.

DVA Gold card holders, DVA White Card holders (**ONLY** for consultations that solely relate to their accepted and approved conditions)

Services that form part of a Medicare-funded Chronic Disease management plan, health assessments, medicine reviews and childhood immunisations. Unrelated services requested in the same consultation may attract a private, non-rebatable, fee.

## Discounted Billing

Patients aged 5 - 11 years old (Inclusive).

Patients with a Pension Concession Card or a HealthCare Concession Card. With the exception of those attending for Compounding Chemist products and discussions.

\*The Medicare Telehealth ruling is that we are unable to bulk bill or process rebates for patients who have not been seen, face to face, in the practice within a 12 month period\*

## Workers Compensation

All workers compensation consultations must be paid for on the day by the patient, unless a valid claim number has been issued and acceptance of liability has been made by the insurer.

## Children without Medicare Card Details?

If a child does not have a valid Medicare card, the Medicare rebate will need to be paid on the day of the appointment, with the rebate being claimed back from Medicare directly by the parent/guardian upon receipt of a valid Medicare Card.

## Symbols

\* triple bulk billing incentive eligible regardless of MyMedicare

+ triple bulk billing incentive eligible if registered with practice through MyMedicare

# rebate only available to patients registered with the practice through MyMedicare

^ exempt from existing relationship (12 month) rule for phone and video consults
